I don't have my childhood memories
I do not know how long I've been in Laharshita
My first memory I still recall is me holding a wooden training sword that was taller than me among male adults

My father ....
who was shining like Sun with his golden hair
Yuisad, you've grown. Come here.
came to see me occas onally
...
Why are you so shy ?
I am your father

He began to v sit me less and less
And one day
I found out that he had another ch ld

That one with golden hair
Isn't he cute ?
One day ... I wanted to see father So I sneaked nto the palace secretly I saw h m there for the f rst t me
A k d who resembled father exactly
A k d who had the beautiful ha r that I couldn't have

Episode two

Chapter two

Yuisad

Janines

Year 2971,
at Laharshita
headquarter.

Silence...
Damn it
I feel like the
fairy in the
wooden and
the fairy tales
I suppose
no woodman
will steal my
wings?
I wonder how
long Ganesha
is going to stay ?
I guess I will
ask him tonight

My other clothes
They are gone

두리번
두리번
You damned rabbit !
Would you like it if someone peels your fur ? Huh? HUH ? WOULD YOU ?
My God d d you see that? That human was faster than a rabbit
I am sorry! I thought it was food

I can't bel eve
I do th s
every n ght
Th s is all because
of that damned
Ganesha
But I can't tell
h m that now
Damn it
I guess I w ll have to be
the n ce one

Who s that ?
Is he ....
Oh oh
www.janines.com

Huhu... Ganesha
You have guts
How dare you throw away the flowers I had gathered for you like banana skin !!
But they were for Yu sad
How could you !!

You gutless loser !!
Did something pass ?
No idea
200 KM
Ganesha !
Stop right there !

What s ths fog ?
.... Damn it,
it's all because
I don't get to eat
meats.
That damned
Danilum, he is
so strict about
food....
Damn it.

If I die here tonight, it is all because of you !
Where are you going ?
it s been a while since Suha went out I haven't heard him coming in
Well..you are surely mean to him At the same time you care about him quite much
Hmmph it s not like I like looking after a dumb kid I just don't want him to cause any more troubles

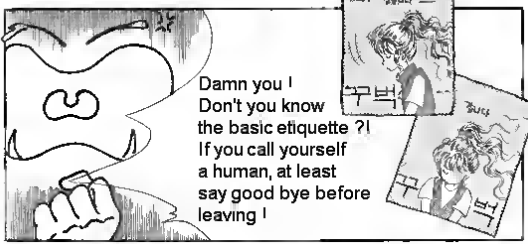
www.janimes.com

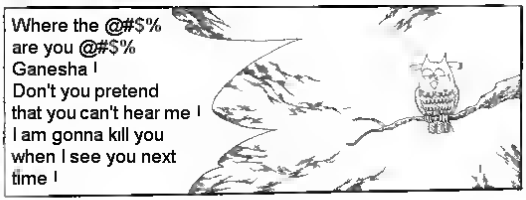
Uh
Uhuh
Was I
crcl ng the
same area ?
No way
I turned right
and left
How come
I lost my temper
because of Ganesha,
but I d dn't go nsane

Come to think of it
Th s s we rd
There s no w nd at all
As f
everyth ng
s asleep
Damn it
How d d
I get here
Who was it I saw?
Some kind of demon
that transformed
into Ganesha ?
~Catch
me~

I am scared -
I keep c rcl ng no matter where I run
Does that mean ....
Is this the barrier they were talking about ?

I saw it coming.
A stupid boy
who doesn't know
anything but eating.
I told you that
he was a coward.
No one
expected
you anything
from the
beginning
anyway.
I guess
it was too much
for him.
If he ran away to
fix his face,
I bet he won't be
coming back for
about 3 years
He was ugly
and especially
slow
So, he ran
I hope that he
will die painfully
No one is going
to have tears for
his demise
No
they will search
for me when they
find out that I am
gone
I didn't mean
to run away!
Believe me!
Damn n@#$,
this is all because
of stupid Ganesha.





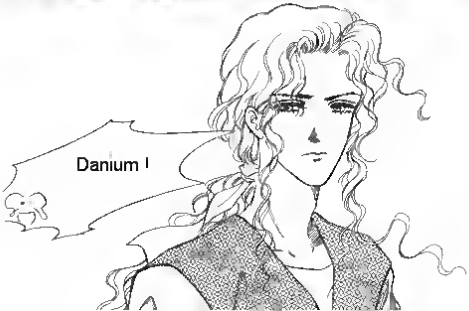
www.janimes.com

But that is really a stupid show.
One-man show
I was try ng not to thnk th s way
She keeps prov ng me r ght
She has got no bra n ld ot
I thought she was lost somewhere but the barr er ?
Can see
Cannot see
L ke mag c m rror
Hmmph flatter ng and curs ng Ganesha at the same t me
Help me, Danium !

Ati, Siva,
or anyone !
I will launder
your socks !
You better keep
your word
Yes
of course
Not only
socks
your towels
too
Fine stand up
and do as I say
Da - Danium ?!
Is that you ?
Where are
you ?!
Be quiet and
just do as I say

Ok ok
Just tell me already
Walk forward
Stop
Turn r ght and take three steps
Now turn left and 3 steps

Is this the last ?



Danium !

Jaimes
www.jaimes.com

If you are dumb, at least learn to listen to others!! What's your problem ?
I've told you hundreds times about the barrier!!
And you walked into it willingly ? If I didn't find you you'd have died!!
Quit it already
This place is close to no buildings
How did you come here
Were you trying to escape ?
N... No ! It's not that !
Ganesha

Ganesha ?
Forget it
... Did you walk into the barrier while trying to catch Ganesha ?
So you don't know that Genesha resigned from Laharshita
What ?

In another word, he can be an enemy to us now
How..come ?!
I should ask that to you Why are you so attached to Ganesha?
Well its because he is my only friend in this world
Did he do something to you?
Some friend he is then

Hey, watch your mouth ! You are going too far !
what?
He sold you out ! You were his ticket !
And keep calling me an idiot everytime ! So, you think you are smart ?!
Fine, I apologize.
I am leaving. Do however you want. You may even follow him.
And that is "the only friend" ?
That @#$! . But I guess I will be the good guy and calm down.

So that was really Ganesha
I was skept cal
I w ll take you back to your world one day
L ar
You ve left me
And you still don't know that I l ed to you also
Well I guess I will try to be useful from now on
To be honest I am scared of here

A half year later
I've had the second
encounter
Papa,
are we there
yet ?
Almost there

Yuisad,
Welcome back, m'lord
M'lord - It's been a long time since we met last time. Why don't you call me father
Father ....

Yuisad .....
This is your brother, Esana.
I know this brother.
Esana th s s your brother, Yu sad
He saved me before
The roll ng ball

New slang among k ds ?

Janimes
www.janimes.com

Welcome back ,
Is th s ch ld the one ?
Yes
Yu sad ,
I need to talk to

Would you play

You see that

There s honey

Wow
I ve never

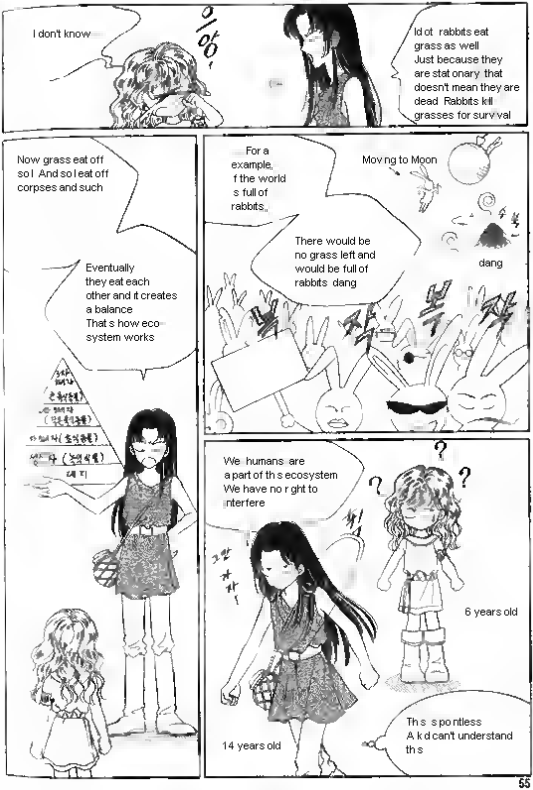
So, they don't come from jars.
sweet.
The same sh n ng har as father s
sweet as the cook e from the palace
It rad ates such beaut ful fragrance

Eek !
What's wrong?
It hurts, bro !
Idiot
Jump into the pond !

B, Bro
Look !

Help the rabbit, bro !
So what?
I w ll have to k ll the cat n order to save the rabbit
Do you want me to k ll the cat for the rabbit ?
Is that what you want?

But the cat s bad
How so ? The cat s hungry Therefore it hunted
They don't eat grass. Their diet is meats.
Unlike the palace, there is no finely cooked steak here.
Yes
But it could eat something else
You wouldn't know what starvation feels like
Then
Would it be ok for the cat to eat cute birds or squirrels?
What would you decide ? What would you feed the cat?
www.janines.com

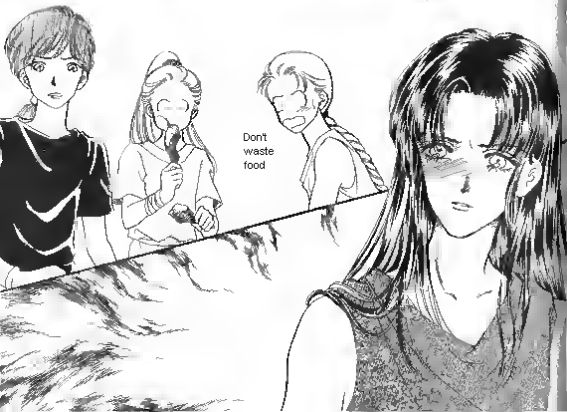


I don't know
Idiot rabbits eat grass as well Just because they are stationary that doesn't mean they are dead Rabbits kill grasses for survival
Now grass eat off so I And so I eat off corpses and such
Eventually they eat each other and it creates a balance That s how eco system works
For a example, f the world s full of rabbits
There would be no grass left and would be full of rabbits dang
Moving to Moon
dang
We humans are a part of th s ecosystem We have no r ght to interfere
6 years old
14 years old
Th s s pontless A kid can't understand th s

What are you guys up to ?
Yo-, Yuisad, good timing.
Jo n us
That s
We just caught a cat
We haven't had meat for some t me
A cat ?
Is that the cat I just saw ?

Ah ?
Who is this kid ?
His eyes are so big
My brother
Your what ?!
Liar !
He doesn't look anything like you !
Hey hey
Well so from different mother eh ?
Doesn't matter We are all brothers in Laharshita
it s done Let s eat it before it gets cold

Looks like you got stung by some bees. This meat will help you.
The cat that ate the rabbit ...
No !



Don't waste food

www.janimes.com

It may be nothing to you, but they are precious food for us !
They gave you their shares and you threw it away ?!
I am ashamed that you are my brother !
Calm down, Yuisad.
Yeah, he is just a kid. You are going too far.
Do'ng young doesn't earn forg veness

Recall our past
Ever since we were kids, we have always been with starvation and fear of being beaten.
We had to start to look for food by ourselves when we were three or so

I almost d ed few t mes because of food po son ng
Luck ly I surv ved
We d d n't have phys cal strength for hunt ng
All we could do was search garbage
Stop t already We have pretty much the same past
We all grew up l ke that
We wouldn't be here f we d d n't grow up l ke that
And -
For someone who was born n a r ch house hold
you wouldn't even know what it feels to be hungry

You thought that steaks and f shes grew off trees d dn't you ?
Dude that s enough
You just sa d so He was born n a r ch family It s not h s fault that he doesn't know how t s ke to be poor
He doesn't know anyth ng Scold ng h m l ke th s s only torturng h m
You are only mak ng h m m serable
He hates me
Don't cry
It s al r ght We can st'll eat it
Brother hates Esana

I told you not to cry!
You look like dealing with a foe rather than a brother.
Yuisad, you are being scary.
Eh..., excuse us now.
See you later, Yuisad.

Damn it
He hates me !

Return ?
But why all the sudden
We all have decided so.
We feel that there s no need to take the r sk anymore
But there s still one m ss on left
And I still don't have the slightest clue

I had two objectives!
One was to have a child with Asad powers
The second was to find a rumored secret of Goddess Gaya's unknown facts which was said to be in the royal palace
Yes, 11 years and still nothing
But the first mission has been accomplished
We need you back here

Perhaps the second m ss on wasn't poss ble to beg n with
t was just a rumor I feel that we don't need to waste your t me work ng on someth ng unrel able as t
Perhaps you should have returned r ght after you had the ch ld
However
Yu sad came here when he was three Age doesn't matter Asad ab ity s all that matters
The head strateg st of Laharshta (also the leader of s lver w ng)
He s
only s x

Could it be
that you have a second thought?
What are you implying ?
11 years of time is long enough to change a person's mind.
And the palace is a good place to live...
Refusing to return ...
www.janimes.com

What are you say ng?
I am just say ng so because he doesn't seem to want to return to h s or g nal post on
How ron c weren't you the one who conv nced and forced me to go to the palace ?
If you want to hear my thoughts f ne

* Just a note for readers as some will not understand this part.
Maha blood is powerful Asad users.
Ladan is a powerful Asad user also. Mating those two blood will have much higher chance for a powerful Asad user.
I regret wasting my 20s for some foolish sense of justice.
A seed. Watch your mouth.
My lord, are you saying you are against our plan to repopulate male Asad users?
I regret becoming a seed to create male Asad users.
Yes. I am against it.
Creating Asad users intentionally is severly against moral sense

What we are doing is not much different from the empire terminating male Asad users
Watch your mouth !
Ths s why the Dark Moon has no d sc pl ne !
However
I w ll not d sobey
After all, I am the leader of Dark Moon

I shall suffer as a father.
But it was expected ever since I decided to walk on a path of an animal.
I need some time

I will return after one month

Is there a reason?
And Esana will be allowed to participate for the first time. And he is expecting it badly
One month ?
I can't take it away from him
The emperor's birthday comes in a month
That's probably the only thing I could do for him
Any danger ?
Jaynimes
www.jaynimes.com

It s been f ne past 11 years
I doubt anyth ng w ll happen for a month
11 years
Yu sad s already 14 now
I couldn't be a good father for both of my ch ldren for past 11 years
But we ve prepared to change the world dur ng that t me

Because the cat ate the rabbit
you sa d that the cat was bad
yes
Do you st!l th nk so ?
I don't know
I felt pty for the rabbit and then the brothers
So, they are bad ones?
I don't know

I just want everyone to be happy
But that s impossible
Even if I become happy someone will become unhappy
You may make some unhappy as well
Because of me ?
I am just giving you an example

Some may become happy in exchange of your unhappiness also.
The world goes around likek that.
But . . .
I suppose one could try to make more people happy
If you want that f rst of all..stop be ng a crybaby !
and be able to eat some cats !
the cat s bone
Yes Esana w l try very very hard Let s be all happy
